Dear Parents/Carers and Players

As Berwick Rangers Juniors Child Welfare Officer, my role within the club is to ensure the safeguarding of all our children, and to be child centred at all times, allowing them to play football in a safe and fun environment. As a Club Welfare Officer, I have two key responsibilities that are defined by the F.A as:

1. Be clear about the club's responsibilities when running activities for children and young people.
2. To help personnel understand what their 'duty of care' towards children and young people actually means and entails on a day-to-day basis.

As Child Welfare Officer, I must also follow a Code of Conduct as laid out by the F.A.

As part of our Charter Standard and in order to assist the Club in providing a safe environment for our Children, Berwick Rangers Juniors Football Club has signed up to the F.A Respect programme (The F.A Programme to tackle unacceptable behaviour in Football) which has produced a set of Codes of Conduct and Policy's which the Club have implemented, these are available on request.

I hope you will give the Club every possible assistance in the coming season to ensure our children play in the best possible environment. Please contact me if you have any concerns regarding the safeguarding of any of our players. Please also ensure your child knows that they can contact me should they have any issues. I can be contacted by:

Mobile: 07553070005

Email: diannejohnston@live.co.uk

If your concern is urgent, please ring on the number above. If I do not answer leave a message or send a text and I will contact you as soon as I can.

If you would like me to attend a particular game or training session, then please don't hesitate to get in touch.

Yours in Sport
